ANNUAL REPORT
of the
TOWN OFFICERS
of the Town of
PITTSFIELD
New Hampshire

COMPRISING THOSE OF THE
SELECTMEN, TAX COLLECTOR, TREASURER
TOWN CLERK, ROAD AGENTS, SCHOOL BOARD
TRUSTEES OF THE TRUST FUNDS
FIRE WARDEN, FIRE COMPANIES

FOR THE YEAR ENDING DECEMBER 31, 1966

Dr. Thurston J. Carpenter and his wife, Ann were named to share the honors as Pittsfield's Citizens for the Year 1967.

Presentation of the award highlighted the annual Citizen of the Year Dance held at Greenleaf Auditorium January 28th.

In announcing the decision, Selectman Richard Foss said the Carpenters were chosen because of numerous community projects the couple have been active in. He did not high-light on any project in particular but suggested it was a compilation of all of their deeds that decided the choice.

TOWN WARRANT**The State of New Hampshire**

To the Inhabitants of the Town of Pittsfield, in the County of Merrimack, in said State, qualified to vote in Town Affairs: [L.S.]

You are hereby notified to meet at the TOWN HALL in said PITTSFIELD on Tuesday the fourteenth of March, at TEN of the clock in the forenoon, and at GREENLEAF AUDITORIUM at eight of the clock in the evening, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing. (Polls shall not close before 6:30 p. m.)

2. To see if the Town will vote to authorize the Selectmen to sell, rent or lease any or all property acquired by Tax Collector's Deeds and to otherwise administer said property as they deem to be in the best interests of the Town.

3. To see if the Town will vote to authorize the Selectmen to install a new street light near the intersection of Elm Street and Main Street and raise and appropriate the sum of seventy-four dollars and forty cents (\$74.40 annual cost) for this purpose. (By Petition). (Recommended by the Budget Committee).

4. To see if the Town will vote to authorize the Selectmen to reopen a section of the old Ring Road for a distance of nineteen hundred (1900) feet from its junction with Upper City Road and maintain same. (By Petition).

5. To see if the Town will vote to raise and appropriate the sum of nine hundred (\$900.00) to be paid to Concord Hospital as an apportionment of the anticipated deficit of the Hospital for 1966. (Recommended by the Budget Committee).

6. To see if the Town will vote to authorize the Selectmen to relocate the present sidewalk along Main Street fronting Dustin Park, moving said sidewalk back from its present location approximately sixteen (16) feet, purpose and intent of same to increase the width of the traveled way and furnish additional parking area.

7. To see if the Town will vote to authorize the Selectmen, with consultation and advise of the Town Forestry Committee, to sell all or any part of the saleable wood and timber on forest lots now owned by the Town, said sales to be made at public bid.

8. To see if the Town will vote to build a new Town Municipal Building on the site of the present Town Hall, said building to include firehouse facilities. The total cost not to exceed one hundred fifty thousand (\$150,000.00) for demolition, of present Town Hall, construction of the new building and Architect fees and to raise and appropriate such a sum by bond issue and authorize the Selectmen to prepare issue and sell said bonds under the provisions of the Municipal Bonds Statute or any other State or Federal Statute applicable thereto. (Recommended by the Budget Committee).

9. If favorable action is taken on Article (8) to see if the Town will vote to authorize the Selectmen through the Town Treasurer to receive from any source all or any sums of money tendered toward the cost of construction of said building.

10. To see if the Town will vote to raise and appropriate the sums of money recommended by the Budget Committee to defray Town expenses for the year ensuing or pass any motion related thereto.

11. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of 1967 Taxes the same to be repaid from that year's levy.

12. To see if the Town will accept the following Trust Funds:

DONOR	PURPOSE	AMOUNT
Fred F. Sleeper	% Fred F. Sleeper lot No. 33 Avenue A, Row No. 3	\$200.00
P. B. Hussey	(Addition) J. Fred Green lot	50.00
Scott Cutler (Adm.)	(Addition) Frank Cutler Cemetery Fund, Floral Park	50.00
	Care of Scott lot, Floral Park Cemetery	200.00

BUILDING COMMITTEE REPORT

Members of The Building Committee on a Municipal and Fire Department building for the Town of Pittsfield:

Pittsfield Firewards:

Clarence Robie

Bruce Adams

Edward Genest

Building Committee for the Fire Department

Willard Bishop

Felix Jenisch

Steven Davis

Committee appointed by Selectmen

Kenneth Danis

Donald Jones

Leonard Berkson

Board of Selectmen

Richard C. Foss

Elliott L. Towle

Gordon R. Weldon

The Committee held during 1966 nine meetings for the purpose of ascertaining the feasibility and needs for a Municipal Building for the Town of Pittsfield. The members of the Pittsfield School Board also attended two meetings.

During the course of the study the firm of Clifford Broker Associates, Architects and Engineers was secured to help and advise in the study and to present a building plan based on the requirements the various departments would require.

The following basic agreements were reached by the Committee:

1. That to solve the long range and very pressing present problems of the Town agencies involved, a Municipal building would present the best solution.

2. The high operating cost of the two present buildings would be reduced substantially with ONE building.

3. In the unanimous opinion of the Committee the present location of the Town Hall would be adequate for the foreseeable future and although NO LOCATION would be perfect in all areas, this location presents the best features desired in most aspects.

4. We feel that the draft of the building presented by Mr. Broker's firm would be most acceptable at this site and represents the best of several alternate plans discussed.

5. The figure that is presented for your consideration in

this year's Warrant is the result of the best advice of our Architect along with a tentative bid average received from six (6) contractors contacted on this building. This amount would contain architects fees, demolition of the old Town Hall and construction of the new building. This figure could be considerably lower by receipt of the funds already in the hands of the Fire Wards that was donated by citizens towards new fire house facilities.

6. Permission to use these funds for this project are requested in this year's warrant.

It is recognized that the financial position of the Town in ability to pay is probably not as good as we would all like and with this upmost in mind we have attempted to present a plan that can be tolerated on our tax rate, yet solve very pressing problems and obligations we all must meet for the progress of Pittsfield.

Respectfully submitted,

THE BUILDING COMMITTEE

SELECTMEN'S REPORT

The year 1966 presented many problems, and some decisions, that will affect us all greatly in the years ahead.

An official notice from the State was received early in the year relating to the cleaning up of the Suncook River in Pittsfield. As of the last of the year we are awaiting the final preliminary plans from our engineering firm on suggestions and layout for this correction. We expect this by March 1967.

T. R. A. funds from the State allowed us to continue the blacktop on Tilton Hill Road to just short of the property of Daniel Daly and to do some rough preparation of the road beyond for this purpose. 1967 should see this project on Tilton Hill nearly complete.

Early last year a series of conferences was begun with the State Highway Department pertaining to what your board and many interested citizens felt were undesirable conditions at the entrances and exits of Pittsfield onto the new 28 Bypass.

An offer was made by the State to improve the entrances and generally improve the areas. A request for more adequate access along Loudon Road resulted in an offer from the State to greatly alter the present road in the vicinity of Crescent Street. Your board felt that the property acquisitions and resulting hardships to the owners, coupled to the loss of valuation and probable high cost of the Town's share in the project made it unacceptable.

Presently some solution to these problems is still being sought.

The building committee concerned with possible locations and feasibility of a new Fire Department and Municipal Building were very active throughout the year. A report of their decisions is found elsewhere in this Town Report.

Your board wishes to thank the citizens of Pittsfield, Chichester and Barnstead for their fine cooperation in helping to maintain the Town Dump during the year. Problems there seem to be, at least for the present, greatly relieved.

A sincere word of appreciation is extended to the South Pittsfield Community Club and particularly to the Rev. Buell Maxfield for their fine civic endeavor in placing the very informative road signs throughout the South Pittsfield area. Such endeavors certainly exemplify the best in self help and community spirit we all should share.

The new sander the Town purchased last year has certainly exceeded all the use and value we had hoped for. It has proved to be one of the most valuable additions to our equipment in regards to promptness and efficiency in service on the Town roads.

In conclusion, the year has been a busy one, rewarding in some areas, disappointing in others. We would all hope for progress and prosperity in the coming year and welcome all suggestions and assistance for the common good of Pittsfield and its people.

Respectfully submitted,

SELECTMEN

POLICE DEPARTMENT REPORT

Activities for 1966:

Records indicate 1290 telephone calls made to the police telephone in addition to complaints made in person. 54 automobile accidents were investigated.

For the first time, registration of bicycles of Pittsfield citizens was accomplished; this year 145 were registered.

The Police Department prosecuted 226 cases on 32 different charges, and a total of \$2981 in fines received for the use of the Town of Pittsfield. The following is a breakdown of these cases:

Stop sign violations	35
Failure to yield after stopping	5
Yellow line violations	24
Unreasonable speed	55
Operating uninspected motor vehicle	1
Operating with defective equipment	30
Opening door in lane of traffic	1
Permitting unlicensed person to operate motor vehicle	1
Operating motor vehicle without license	4
Unnecessary noise with motor vehicle	13
Failure to dim headlights	1
Drunk in public	4
Following too closely	3
DWI	3
Illegal backing	1
Illegal fireworks	1
Non-support	1
Aggravated assault	2
Assault	4
Unlawfully giving beer to minors	2
Disorderly conduct	2
Larceny	5
Parked illegal distance from fire apparatus	6
Following fire apparatus too closely	2
Trespass on improved land	2
Failure to appear in court to answer summons	2
Passing on hill	1
Malicious damage	1
Littering highway	1
Failure to stop for police officer	1

Derisive words	1
Parking violations	11
	<hr/>
	226
Defective equipment tags issued	37
Warnings (written)	38
Parking violation warnings	22

Additionally, the following complaints or reports of crimes were received by the Department during the year:

Vandalism	17
Larcenies	16
Stolen cars	1
Fraud	2
Dog damage	1
U. S. mail thefts	2
Indecent exposure	1
Missing persons	7
Hit and run accidents	3
Dog complaints	19
Report to Motor Vehicle of Illegal Transportation of Alcoholic Beverage	1

Emergency assistance was rendered in 11 instances and one suicide investigation was conducted. 5 juvenile cases were handled and 11 doors were found open to business establishments during the course of patrolling the town. 1 notice of eviction was served per court order.

The budget for the Police Department for 1966 was \$8,520.00. Expenditures were as follows:

Vaughn V. Siel - salary	\$ 4,026.92
mileage	951.60
Donald L. Chagnon - salary	1,028.18
mileage	263.40

SYBIL G. PEASE

TREASURER

Carpenter Library Trustees

REPORT OF THE TRUSTEES - 1966

Carpenter Memorial Library continues to be a busy, thriving centre for both young and old. Over 2300 books were borrowed from the Bookmobile during its 4 visits, while 120 special requests were taken care of by direct loan from the State Library.

The Reference Section continues its steady growth and the gift of \$100.00 by the Pittsfield Rotary Club has greatly increased the scope and number of periodicals on hand.

Displays on bulletin board and showcase change continually with especially notable loans of antiques during National Library Week and at Christmas by Arthurs' Antiques of Epsom. Mrs. Heath has brought in work done by her Art classes in the Pittsfield Schools. For the second year Mrs. Van Horn welcomed the group of children from Operation Headstart for a Story Hour.

In an attempt to improve facilities, the kitchen in the Jenkins Room was walled in and an extension phone was added. Mr. John Small has taken on the duties of Custodian and works constantly and diligently on the upkeep of the Library and Jenkins Room.

FIRE RECORD

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.
2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A.M. and 5:00 P.M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important - Instruct your children that matches are not play things.

TRULY — ONLY YOU CAN PREVENT FOREST FIRES

Pittsfield 3 Fires .25 Acres burned 126 Permits issued

GEORGE A. REED

WARDEN

REPORT OF THE RECREATION COMMISSION

The Doctor F B. Argue Memorial Pool was open from June 26th through September 3rd for a total of ten weeks. Steven Franzien, Tracy Mousseau and William Carpenter, all Senior Life Guards, were in constant attendance. Barbara Riel was ticket taker.

This year 22 children passed their beginners test, 24 advanced beginners, 7 swimmers, 2 advanced swimmers, 2 intermediate, 2 Jr. life saving and 4 senior life saving.

The P. T. A., in Barnstead asked permission to include their children into our swimming classes for two weeks. Permission was granted because the director of the pool felt that the staff had the time to teach this group with no interference to our own program.

Each year the Commission uses the proceeds from the Citizen of the Year Dance to improve the facilities at the pool. More beach sand was brought in, the picnic tables, boat and tower were painted, new doors were put on the bath house, a new mat placed on the diving board and supplies for the bath houses. A small raft was made to be used for swimming lessons.

Members of the Commission realize that there is a lot of discoloration at the base of the pool. This has been brought to the attention of the State Department of Health several engineers and samples were sent to the lab at U. N. H. It is believed that a vein of iron runs through the upper portion of the beach. We hope to raise enough money this year to dig out this vein and replace it with beach sand

OVERSEER OF PUBLIC WELFARE

TREE WARDEN'S REPORT

The town of Pittsfield in 1966 was sprayed twice, once in the Spring for Dutch Elm disease and once in the Fall for all Town trees. Both sprayings were done by Bartlett Tree Experts.

A total of 37 stumps were removed. The Town citizens paid for removal of 22 of these. The other 15 were paid for by Town funds. They were taken out of the Park and Common in South Pittsfield. Also, the two large stumps in front of Dick's Radio & T.V. Shop which were so bothersome for many years were removed. Stump removal was done by Allied Tree.

Elm trees that proved quite hazardous to everyone concerned were taken down. With remaining funds we were able to take down 21 and pruned a few of the bad ones.

We also received the report from the Department of Resources and Economic Development on the control of White Pine Blister Rust. The total area worked was 1526 acres. Destroyed were 2187 Currant and Gooseberry bushes.

The Town owns trees on four wood lots and I would recommend that provided we receive a fair price for the lumber we sell it and put the land up for sale. I suggest the money be used for future planting of trees and shrubs to take the place of the many Elms we are losing each year.

Respectfully submitted,

GARY C. BEDELL

1 — 1,000 Watt Lighting System

1 — Base Station Radio

1 — Smoke Ejector

FIRE DEPARTMENT REPORT

This year there were 37 box alarms, 4 still, 1 water shut-off and 1 false alarm. Our red phone and fire alarm box No. 71 was moved from Doris Howe's trailer to Carl Howe's residence in April and again to Ruth Lank's apartment on Fayette St. in August.

The fire alarm gave trouble in March; a wire repaired at box 312, loose connection at box 33 and limbs removed between box 42 and 44.

In April the fire alarm circuit was removed from Howe's trailer to Carl Howe's residence.

Checked for fire alarm short circuit in May at Main and Carroll Street.

The entire system of 3½ miles of fire alarm wire was checked for loose connections, cross arms replaced, insulators, were also replaced. Rewired Box 26, pulled and spliced slack wire and removed tree limbs.

Fire alarm was out of service in October, caused by broken wire at Bridge and Chestnut Street. More work will have to be done on the system including replacing of wire.

Robert Linscott is our Supt. of fire alarm with the assistance of Walter Hall.

Weekly fire alarm tests have been sounded at 12 noon every Saturday.

The fire station is checked at least once a day during the year.

Board of Firewards met every Friday evening for radio check at 7:30 P. M. and to check equipment etc.

In reporting a fire — call 435-6522.

Respectfully submitted,

CLARENCE E. ROBIE,

FIRE-CHIEF

REPORT OF HEALTH OFFICER

Attended Concord Regional Medicare Meeting at Nurses' Auditorium at Concord Hospital at 2:00 P.M. on March 15th, 1966. Speakers were Lois Reed (Public Nurse Consultant), Jesse Trow (Public Health Coordinator), and Michael Marcinkowski (Public Health Advisor).

Arranged, and was present at, talk on Medicare at Town Hall between our Selectmen and Visiting Nurse Carolyn Fox, at 8:00 P.M. on April 13th, 1966. She explained in detail about Medicare, and how we could have our own program here in Pittsfield, rather than in Concord.

Hong Kong ice balls contaminated; local merchants cooperated by destroying those in stock and telling previous buyers to dispose of theirs.

Two families submitted toy baby bottles made in Hong Kong for analysis by State Health Department.

Swimming Pool tested weekly for bacteriological quality of water.

Pittsfield Aqueduct Company water quality checked monthly for bacterial contamination; yearly for chemical tests; and special tests when needed.

Many water samples from private supplies delivered to State Water Testing Laboratory. Two samples taken directly from homes by request of Selectmen. Water Testing bottles available upon request.

One report of dead horse followed up; one Foster Home inspected. Other complaints were checked, and numerous questions answered.

Pittsfield restaurants and food stores checked with State Food Inspector, John Howard.

Secured, "It's Your Decision - Clean Water" film, shown on Election Night for P. T. A. with State Water Pollution Engineer, Richard Grossman as guest speaker, introduced by yours truly.

Thanking one and all for their excellent cooperation,

ALBERT DRAGON

B. REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Pittsfield School District: I respectfully submit my first annual report as your Superintendent of Schools.

Computers, electronics, antibiotics, electromation, space age and many other such terms tend to identify the future which the youth of Pittsfield will face. The rapid expansion of knowledge is unbelievable. As an example, in the early 1900's, a simple student textbook on basic science contained practically all the essential information known about the subject at that time. To cover the same material today would require a study of sixty-four books.

The students of today have a great deal more knowledge to acquire in order to become productive members of the community. It becomes necessary for schools to keep pace with the knowledge explosion and to give the student adequate preparation. To do this the schools require the support of the people of Pittsfield.

There are two primary voids in the present educational offering in the Pittsfield school system. At present there is one class for the intellectually retarded that can handle no more than fifteen students. There are, however, enough students within the system to warrant a second class. This will accomplish several things; first, it will make it possible to have one class for the younger students and the other class for older students; secondly, it will make it possible for the classroom teacher to spend more time with the regular students in the classroom since an intellectually retarded student requires a great deal of attention; thirdly, the retarded student will be able to receive instruction more nearly suited to his needs.

The second primary void is in the area of remedial reading. It has been found that Pittsfield has a number of students reading as much as two years below their grade level. Through a reading improvement program, it will be possible to identify the specific reading difficulties as well as working with the student to improve the problem. Reading is by far the most important subject for a student to know since it is the basis for learning so many other subjects.

Another area of concern which needs to be carefully examined in the near future is that pertaining to school facilities. The elementary schools are neither modern nor adequate to meet the needs of today's educational program. The high school is becoming crowded, not only with students, but with the physical space to provide additional curriculum offerings.

If our schools are to keep pace with the knowledge explosion we must adopt the techniques brought forth by ad-

vances in technology. As recent educational research points out, schools must use entirely new approaches to the teaching and learning process if they hope to find feasible ways to stress the kind of inquiry which is meaningful to students faced with this wealth of information. The old-time slate gave way to the McGuffey reader, the unskilled to the skilled, the horse to the locomotive. It is believed that you, the citizens of Pittsfield, will seek solutions to these concerns for your youth, who so justly deserve a good start in life.

In closing, we solicit the support of parents, business men, citizens and all other agencies in our common effort to improve our greatest natural resources, the boys and girls of Pittsfield.

Respectfully submitted,

DAMON A. RUSSELL

SUPERINTENDENT OF SCHOOLS

C. REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

To the School Board and the Citizens of Pittsfield; It is with great pleasure that I submit my first annual report as your Assistant Superintendent of Schools.

After only seven months of employment in this school district I have formed many impressions which I would like to share with you as citizens of Pittsfield.

First, and foremost the teaching staff as a whole is one of which we can be proud. Most of the teachers are hard-working, sincere, cooperative, and genuinely concerned with the growth of individual children in their charge. Mr. Doughty has provided very capable leadership, and through the cooperative efforts of all staff members some very forward-looking strides have been taken.

Course offerings in the high school are not as varied as they might be. Costly text books must be purchased to replace out-moded books. Class size should ideally be limited to

twenty-five pupils. Special instruction such as art, guidance, and physical education, should be provided for all pupils in grades one to twelve. Our two smaller buildings are not ideally suited in size, plan, or location for primary grade education.

Buildings, books, teachers, and equipment are all very costly to provide. We attempt to assign priorities to the educational needs, since not all can be accomplished at once. Several requests are to be presented to the voters this March at the Annual School District Meeting. i.e. another Special Education class, a remedial reading teacher, and acceptance of Federal Aid to support one of the programs.

Having worked with Federal Programs for several years my feeling is that "controls", if any, are imposed only on the administrators who have the time-consuming task of applying for and accounting for these funds. We have all paid our Federal taxes, and several millions are to be spent on education. If Pittsfield's "fair share" is not spent here it will be spent elsewhere in the state.

Another costly provision to be made in the future in high schools all over the nation is to better provide for the seventy percent of the high school graduates who do not go on to post-secondary schools. Practical, vocational education is sorely needed to enable the boys and girls who do not further their education to take their place in this competitive, technological society in which we live.

In conclusion, I would like to say that it is very obvious in many ways that the citizens of Pittsfield have put forth substantial financial and moral support to bring the schools to the present level. But much remains yet to be done, and through the continued cooperative efforts of all concerned I feel that it will be done.

Respectfully submitted,

JAMES J. CUSICK

V. AUXILIARY REPORTS

A. REPORT OF THE HIGH SCHOOL PRINCIPAL

To the members of the School Board, the Superintendent and Assistant Superintendent of Schools and the citizens of the Town of Pittsfield, it is with pleasure that I submit my first annual report as the Principal of the Pittsfield Schools.

Pittsfield Schools opened on September 7 with 485 pupils enrolled in the High School building, 143 pupils enrolled in the Grammar School building, and 84 pupils enrolled in the Memorial School building. Of the 36 faculty members presently employed in Pittsfield, 13 were new to the system. They are:

Mrs. Edith Purtell who replaces Mrs. Emma Barnes in Grade 2 at the Memorial School;

Miss Susan Fraser who replaces Mrs. Vera Bouchard in grades 5 and 6 in English;

Miss Frances Childs who replaces Mrs. Evelyn E. Hodgdon in grades 5 and 6 in Science;

Mrs. Janet Heath who replaces Mrs. Nancy J. Lindsey in grades 5 and 6 in social studies and all grades in art;

Mrs. Virginia Sanborn who replaces Mrs. Jean C. Cilley as a teacher-aide in grades 5 and 6;

Miss Donna Cimics who replaces Mrs. Loraine McKeever in grades 7, 8, and 9 in English;

Mr. Frank Walker who replaces Mrs. Carol McDowell in grades 7-10 in Science and Biology;

Miss Sandra Maroney who is teaching in grades 5 and 6, replaces Mr. Robert Daniels in Mathematics;

Mrs. Sarah McCarthy who replaces Mr. Leonardus Stal in grades 9-12 in French;

Mr. Dennis Brown who replaces Mr. Leonard Goulis in all grades in Music;

Mr. Peter Corneliussen who replaces Mr. David Gosselin in grades 9-12 in social studies;

Mrs. Bernice Sanderson who replaces Mr. William Carpenter in Guidance.

Of the twelve teachers who are new to the Pittsfield School system; seven are without previous experience, and of the remaining five, only one has more than one year of experience. It is my opinion that these teachers have done very well considering their inexperience; however, to build a strong educational system, an experienced faculty is a necessity. We must, I feel, make a determined effort to retain our good teachers and decrease the large ratio of teacher replacements.

A major change in the structure of the Pittsfield Schools Administration was begun this year. For the first time the High School Principal was given the responsibility of the three

schools in Pittsfield in order to better coordinate the educational program between the three schools. I feel that this has been successful in a number of areas, and I feel the progress will continue. This is due largely to the excellent cooperation and help of the entire staff, and especially that of Mr. William Johnstone, Mrs. Harriet Ames, and Mrs. Phyllis Murdough.

The art program under the direction of Mrs. Janet Heath was expanded this year to include all the grades in the Pittsfield schools.

We have continued to expand the special education program under the direction of Miss Winona Walker. Our special education students now are involved in every phase of the curricular and co-curricular program of the school.

We have extended the new mathematics program to include grades 7 and 8 under the direction of Mrs. Marjorie Lawton. We now have a systematic and coordinated program from grade 1 through 8.

We have begun an experimental program in order to make better use of our school library and typewriters which constitute a major investment. Under the supervision of Mr. Frank Walker, the school's facilities have been open to grades 9-12 on Tuesday and Thursday evenings. In this way we hope to give expanded opportunities to our high school students to develop their full academic potential.

We have expanded our extra-curricular athletic offering with a junior high program for both boys and girls. Our primary goal here is to supplement our physical education program and to give our 7th and 8th grade students a supervised form of recreation.

This year we were forced to add an additional section of French to our curriculum because of added enrollment. This meant an extra burden was placed on the English department in order to pick up the English class dropped by the French teacher. At present we are using 95.1% of our room facilities at the High School and 96.7% of the teaching staff's time. This means that our program can not expand without additional room and staff. Some basic needs are apparent but presently are impossible because of the above mentioned restrictions.

May I thank the School Board for their receptive attitude and their deep concern for the educational welfare of the students of Pittsfield; the Superintendent and his staff for their cooperation and support; the faculty and staff who have made the education of Pittsfield youth possible. Also, I feel that Mr. Winthrop S. Alden should be recognized for the fine order in which he left the educational affairs of the High School. I only hope that I am able to approach his excellent example.

Respectfully submitted,

DALE F. DOUGHTY

PRINCIPAL

REPORT OF SCHOOL NURSE

September 1965 to June 1966

Number of children given vision test	707
Retest	64
Number of children given hearing test	714
Retest	25
Number of children inspections	871
Classroom	366
Individual	505
Number of parents consulted	136
Number of half days given school work	177
Number of children excluded from school	15
Number of home visits	26
Number of children attending dental clinic	23
Heights	704
Weights	704
First Aid	315

Defective teeth

	Affected	Corrected
Temporary - 74		
Permanent - 141	215	489
Defective vision	42	60
Defective hearing	4	4
Posture	3	3
Speech	1	1
Tonsils	34	11
Nail biting	64	31
Orthopedic	1	1

Cases of Communicable Diseases

Chicken Pox	3
Measles	30
Mumps	6
Pediculosis	2
German Measles	48
Diabetics	2

The school health program continues about the same with the general health of the children very good. The head start was a great help in checking up on the childrens' defects before entering school and having all their dental work completed.

We do find a big improvement in the dental work especially in high school. We do appreciate the help given us by the State and Salvation Army for dental work. And also thank the Local Lions Club for our new Litmus Vision Tester and the help given us for children needing glasses. We wish to thank

parents, teachers, school officials, and our local organizations for their kind cooperation with the school health program.

Respectfully submitted

DORIS H. DROLET, R.N.

SCHOOL NURSE

DRAKE MEMORIAL FIELD PLAYGROUND REPORT

The 1966 Summer Program at Drake Field ran for eight weeks under the direction of George Liouzis of Pittsfield. The program was in operation from 9:00 to 12:00 and from 1:00 to 4:00 five days a week.

The State Of New Hampshire
SCHOOL WARRANT

To the Inhabitants of the School district in the town of Pittsfield qualified to vote in district affairs:

You are hereby notified to meet at the Greenleaf Auditorium in said district on the ninth day of March 1967, at 8:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
- 5 To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents and for the payment of statutory obligations of the district.
9. To see if the District will vote to provide Remedial Reading instruction as a regular part of the Pittsfield School System and raise and appropriate the sum of \$6,400 to implement the same. (Recommended by Budget Committee).
10. To see if the District will vote to provide an additional Special Education class as a part of the Pittsfield School System and raise and appropriate the sum of \$5650 to implement the same. (Recommended by Budget Committee).
11. To see if the District will vote to provide financial support for the School Lunch Program and raise and appropriate the sum of \$4500 for such support.
(Budget Committee recommends \$2000)
12. To see if the District will vote to purchase new band uniforms and choral robes and raise and appropriate the sum of \$4720 for such purchase.
(Not recommended by Budget Committee)
13. To see if the District will vote to accept the provisions of Title I of Public Law 89-10 (89th Congress) designed to im-

prove educational opportunities with particular reference to children of low-income families, and to appropriate such funds as may be made available to the District under said Federal Act for such particular projects as may be determined by the School Board. Further, to see if the District will authorize the School Board to make application for such funds and to expend the same for such projects as said School Board may designate. (Recommended by Budget Committee).

14. To see if the District will vote to raise and appropriate a sum of \$3000 to establish a contingency fund to meet the cost of unanticipated expenses that may arise during the year. (Recommended by Budget Committee).

15. To see if the District will authorize the School Board to make application for and receive in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any Federal or State Agency.

16. To transact any other business which may legally come before said meeting.

Given under our hands at said Pittsfield this 8th day of February 1967.
